PAYMENT REQUIRED AT END OF SALE TOMORROW

Our Mission:

Our mission is to support the final stage of Junior Fair market projects by connecting sellers & buyers. We facilitate the process of bringing quality farm products to the community's table, ensuring a successful & educational experience.

Purchasing Options:

Option #1:

The buyer purchases an animal of choice at auction price and sends it to one of the listed processors. All processors will pick up animals at no cost to the buyer. The processor will contact the buyer to get information about what cuts and packaging is desired, instructions are required. The cost of butchering and processing is paid directly to the processor.

Option #2:

The buyer purchases an animal of choice at the auction price and donate to Feeding Medina County or Medina County Home. The buyer will pay Sale Committee auction price for animal and flat fee for processing. 100% of this purchase is a tax-deductible donation.

Option #3:

The buyer purchases an animal of choice at auction price and turns the animal to turn bid buyer. Turn bids are listed in the sale program.

Example: Auction price - \$2000.00 Turn Bid Price - \$1200.00 Buyer to Pay - \$800.00

The total paid by buyer is tax deductible, buyer does not receive animal. Animals become property of turn bid buyer.

Option #4:

The buyer purchases animal of choice at the auction price and animal taken live. This does not apply to all poultry, rabbits and any Grand and Reserve Champions. Buyer is responsible for hauling.

Option #5:

The buyer may add any amount of money to any seller's proceeds.

Example: Buyer received 15 buyer letters; they decide to add \$50 to each of those seller's proceeds. The buyer receives recognition only. This is considered tax deductible donation. There is a special form buyer is required to fill out.

A few things to know:

-There is no Turn Bid on poultry – only option #1 and #2 apply. All poultry is processed whole.

-There is no processor for rabbits. For Rabbits – only Option 3 applies

-Dairy Beef, Heavy Feeders, Light Feeders and Starter Calves are all back to farm animals and cannot be sent to processors. Only option #3 and #4 applies

-Payment is expected at the end of the sale, check, cash and credit card are accepted; however, check is preferred. Billing a company is also an option if the company can not provide a check on the day of the sale. Please let Sale Committee know if billing is required before the sale starts.
