Medina County Fair Campers,

It is that time of year again. The 2022 fair dates are August 1 – 7, 2022.

Enclosed is an application for this year's camping, forms and payment are due back to the Fair Office by **Friday, May 13, 2022**. This deadline will be enforced due to the demand of campsites, if we do not have your paperwork fully completed with payment by Friday, May 13, 2022 (if mailed the envelope must be postmarked by May 13, 2022) you will lose your spot and it will be opened up for a new camper. If you wish to change to a different location, you must request it in writing along with the application and fee to the Fair Office. Starting Monday, June 6, 2022, campsites will open to brand new campers

Camping fees have gone up for this year: **North camping lot - \$200, South camping lot - \$225 & Primitive - \$100**

All applications NOT FILLED OUT COMPLETELY, will be sent back to you with your payment. We must know the correct size and type of unit you plan to camp with to give you adequate room. The campgrounds will be open at 9:00 A.M. Friday, July 29. Your permit will be ready for pick up on July 8, you must have the permit on your camper, if it is not picked up and, on the camper, you will run the risk of your camper being removed.

Sincerely,

Chris Sulzener, Chairman
Campgrounds Committee
